COMMERCIAL RATES FOR CABLES

25X9A2

Average cost is \$8.21 per 100 groups (one group consists of five letters)

Average cable consist of 122 groups (@ \$.062 per group equals \$10 per cable)

Cost to CIA of Sending Cables (By Years)

<u>Year</u>	<u>Total</u>
1948	\$176,228.53
1949	130,638.29
1950	89,948.37
1951	156,044.64
1952*	228,909.10

\*Estimate based on actual figures for first quarter.

NOTE: These figures do not include fixed costs for leasing of lines, cables, etc., nor do they include free cables sent via military facilities. If all cables sent by Agency components were commercially transmitted, estimated cost would be \$480,000 per month.
